GET THE LONG TIME POINT OF VIEW

—and START RIGHT. Buy furnishings that are strong and durable, for that is true economy. What does it matter how inexpensive a thing is, if it doesn't give satisfactory service! What difference does it make how little anything costs if you are not thoroughly pleased with it—or if it's something you will tire of! You'll always have to pay for as much as you get. If you pay less you get less. If you pay for quality, SEE THAT YOU GET QUALITY. At this store you are always sure of getting all that you pay for with the comprehensive BASS Service thrown in—a far-reaching service which helps you to the best solution of all your home-furnishing problems.
